**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im happy with my Internet provider, why make such a bad thing to my provider, as a San Francisco Resident I support small local business which they are usually a little cheaper and the good thing its Now Im enjoying fiber today instead of DSL, I love my service and how fast it is. My whole family like it and love it. Lets support small and local businesses together and let my provider keep making families happy. Thanks.
